VIVIAN ONG

CREATIVE DESIGNER

PROFILE

Hi , My name is Vivian, an illustrator and graphic designer focused on bringing brands to life in prints & online platforms with innovative ingredients of design elements. My design style is constantly evolving, yet I've always had a desire to create playful and fun designs with a great color palette and clever concept.

EXPERIENCES

FROM 2019 to 2021 OPPO Electronics Sdn Bhd **Graphic Designer**

- Working with creative team members briefing and advising clients with regard to design style, format, print production and timescales.
- Developing concepts, graphics and layouts for product illustrations, company websites.
- Determining size and arrangement of copy and illustrative material, as well as font style and size.
- Managing social media posting in consistency & producing good content.

2018 One Utama Shopping Centre **Art & Design Bazaar**

- Brainstorm creative elements for the T-shirt & greeting cards by using silkscreen printing.

2018 One Utama Shopping Centre **Video Collaboration Project**

- with Acid Rain Films, producing a promotional video on the theme of Dining

2017 Slide The City Malaysia (Monkey Theory Sdn. Bhd) **Junior Designer**

- Responsible for creating event designs, drawings, and renderings for company's events, following departmental and company policies, procedures, and practices.
- Perform all necessary paperwork; ensure consistency and accuracy

2016 Rex Film Distribution **Interview Project**

- Interview Video with The Spiral production team, and the music composer.
